All measurements and options need to be filled in where possible. This is custom work, every diff is different and we will not carry the burden for customers choosing incorrectly or supplying incorrect information. Please ask any questions regarding filling in this order form, prior to submitting the order, as once parts are ordered and work has commenced, no alterations can be made.

Upon receipt of the signed 'Supra Diff Order Form' and a deposit paid to Racemod Pty Ltd, both parties accept as final and work will commence
